PROGRAM NOTES

Commissioned by and dedicated to Crystal Lake School District for the centennial celebration of Crystal Lake, Illinois, **Legend of Crystal Lake** opens slowly with haunting and mysterious tonal mixture of woodwinds and solo trumpet. Quickly gaining energy the piece launches into a forceful woodwind rhythmic statement punctuated by brass and percussion. A lyrical $\frac{3}{4}$ middle section passes a delightful melody between each choir of instruments. The fresh and unique harmonies combined with the rhythmic excitement make this a memorable musical journey.

NOTES TO CONDUCTOR

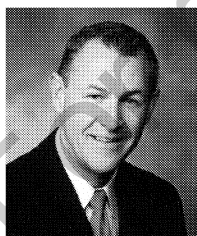

The opening moments of this piece should be mysterious and haunting. If possible, you should use several wind chimes of different size and timbre for each entry. Smaller wind chimes in m. 1 and larger wind chimes in m. 2. Also, I would suggest placing them at different positions on the stage or even within the audience to create a unique surround sound. The trumpet part in m. 6 should be considered for a solo part. The accelerando beginning in m. 15 should be performed as a gradual but continued acceleration culminating with the "Forceful" tempo at m. 19. It is important that the tempo be as close to m.m. = 158 as possible.

M. 36 begins the "B" section and, while easier in rhythmic feel, should maintain the intensity and tempo. The slower middle section at m. 73 should be relaxed and flowing, building in musical emotion to the climax at m. 94. The D.S. recapitulates the original themes culminating with the Coda at m. 107.

My best wishes to you and your ensemble in preparing and performing this piece.
