Rehearsal Suggestions

In this arrangement of the traditional English carol, the character of each melodic statement is varied by the use of different instrumental colors, tempos, and keys. Wherever the melody occurs, make sure it is clearly heard. Careful observation of changing instrumental timbres (snare off/on, muted trumpets, solo/full ensemble) will bring out variety, providing interest and contrast. Be aware of key changes (m. 49, m. 65 in minor mode, and m. 102 back to major mode). At m. 65, play-up the more dramatic nature, by making sure each entering thematic statement is clear and precise, and marcato in character. The *Maestoso* section (beginning at m. 102) should be legato and hymn-like, summing up the work prior to the energetic and up-tempo finish. Careful attention to these details will assist in providing an exciting performance for your band and audience.
