ABOUT THE COMPOSER

Jeremy Bell received his Bachelor of Music degree in Music Composition from Bradley University in Peoria, IL where he studied with Dr. Stephen Heinemann. In 2011, he graduated from Arizona State University with a Masters in Music Composition after studying with Dr. Rodney Rogers and Dr. Jody Rockmaker. His first commissioned work was accepted for publication in 2011, and since then, Jeremy has been active as a band and choral composer while simultaneously working on developing his commercial composition portfolio. Jeremy currently instructs the Music Theory and Appreciation

course at Collins College in Tempe, Arizona, in addition to teaching private lessons on piano, flute, guitar, and voice. He is a performer and entertainer at The Big Bang Dueling Piano bar in Tempe and the Assistant Music Director at Church of the Master in Mesa, Arizona.

PROGRAM NOTES

The Addison Red Line is a train stop for the "L" in Chicago. Close to Wrigley Field, the home of the Chicago Cubs, the "L" brings thousands of people out to this historic location to enjoy America's favorite pastime. The energy and excitement of those passing by, going to restaurants, or meeting with friends is an incredibly unique and awesome experience. **The Addison Red Line** tries to convey that level of fun, passion, and general busyness of the area that attracts people from all over the world to come out and enjoy an afternoon or night out in Wrigleyville, one of Chicago's most popular neighborhoods.

The musical score is arranged in a standard orchestral format with 18 staves. The woodwind section (Fl./Picc., Ob., Cl., Bsn., Sax.) and brass section (Trpt., Hn., Trom., Euph., Tuba) have parts that are mostly silent until measure 16, where they enter with various dynamics and articulations. The percussion section (Perc. 1, 2, 3) provides a rhythmic accompaniment throughout. The score is in a key signature of two flats and a 2/4 time signature, with a complex meter change from 4/4 to 3/4 and back to 4/4.
