### Program Notes

The origin of this extraordinary work dates back to 1752 when German-born Katharina von Schlegel penned a hymn that was published under the title, 'Stille, mein Wille; dein Jesus hilft siegen' (*Be still, my soul, the Lord is on thy side*) in the compilation *A New Collection of Spiritual Songs*. Later transcribed to English by Jane L. Borthwick in 1855, the new translation now appears in the second series *Hymns from the Land of Luther*. The final transformation of this glorious piece takes place in 1899 when noted composer Jean Sibelius creates a stirring melody that, when added to the text, reflects the historic struggles of the Finnish people. From his love of country and patriotism emerges the emotional quality of a deeply moving hymn that symbolizes hope and resolution for all.

- James Swearingen
