# Rising Band Series

(Grade levels 1 1/2 - 2)

The Rising Band Series is carefully designed and written to serve the performance needs of the developing band program. In addition to providing quality performance literature for your concert program, each title in the series provides an appropriate musical setting for the conductor/teacher to reinforce musical concepts and skills that have been addressed in the first two years of instruction. Written at two grade levels (1 1/2 and 2), the Rising Band Series provides a variety of musical works that employ the note and rhythm sequence used in most band method books. The Rising Band Series is a sound fundamental approach leading to a command of the concert band.

### Program Notes

We all know and love Bugs and his friends from the cartoon adventures of the 40's and 50's. Arranger David Shaffer has krafted this klever reincarnation of the klassic music from that era of film kartoons. Opening with Brahms' "Hungarian Dance #5" we can all imagine Bugs in his adventures with Porky Pig. With Wagner's "Ride of the Valkyries" we can hear the "wabbit" in his death-defying escapes from his adversaries. Finally, Liszt's "Hungarian Rhapsody #2" gives us the musical tension that brought these cinematic klas-sics to their komic konclusions.

### Rehearsal Suggestions

As suggested by the title, this arrangement of classic cartoon music should be played "tongue in cheek." Emphasize all of the numerous sound effects created by tempo changes, dynamic changes, and specialty percussion instruments. Tempo indications are only suggested; feel free to experiment with tempos that maximize comic effect.

I hope you enjoy preparing and performing this arrangement and also hope that you are able to bring the enjoyment of this classic form of film music to your students.
